

Application ser. no. 10/782,698
Attorney Docket No. W1107/20009
Amendment Dated December 4, 2006

REMARKS

By this amendment, Claims 77, 88, 108, 131 and 143 are amended so as to note the SEQ ID number of the amino acid sequences in each claim. Paragraphs in the specification that refer to those sequences have also been amended to contain the newly added SEQ ID numbers

The Examiner requested such an amendment, except that Claim 187, rather than Claim 143, was designated by the Examiner for amendment. However, designation of Claim 187 appears to have been a typographical error.

Respectfully submitted,

CAESAR, RIVISE, BERNSTEIN,
COHEN & POKOTILOW, LTD.
